Although considerable care has been taken in preparing and maintaining the information and material contained on this website, The Puratone Corporation makes no representation nor gives any warranty as to the currency, completeness, accuracy or correctness of any of the elements contained herein. Facts and information contained in the website are believed to be accurate at the time of posting. However, information may be superseded by subsequent disclosure, and changes may be made at any time without prior notice. The Puratone Corporation shall not be responsible for, or liable in respect of, any damage, direct or indirect, or of any nature whatsoever, resulting from the use of the information contained herein.

Disclaimer

This website may contain “forward-looking” information including statements concerning the company’s outlook for the future, as well as other statements of beliefs, future plans and strategies or anticipated events, and similar expressions concerning matters that are not historical facts. The forward-looking information and statements are subject to risks and uncertainties that could cause actual results to differ materially from those expressed in, or implied by, the statements. These risks and uncertainties included availability and prices of livestock, raw materials and supplies, livestock costs, product pricing, the competitive environment and related market conditions, operating efficiencies, access to capital, the cost of compliance with environmental and health standards, adverse results from ongoing litigation and actions of domestic and foreign governments. Puratone assumes no obligation to publicly update or revise these forward-looking statements even if experience of future changes make it clear that any projected results expressed or implied therein do not materialize. Refer to the Company’s annual report, management information, and other filings for further information on risks and uncertainties that could cause actual results to differ materially from forward-looking statements.
