Animal Care Technician

The position is based at Prairie Grass Pork and K-Line Farms, a sow farm facility located near Winkler and Plum Coulee, MB. The successful applicant must possess an aptitude for the care and handling of animals, good communication skills and the ability to work as part of a highly productive team. Duties will include the provision of quality care to all pigs housed in the facility, shipping and receiving of pigs to the facility, treatment of sick pigs and minor maintenance work. Scheduled rotational weekend work is required
